Clean T-shirts for groups

Many of these local retailers and websites can provide silk-screened T-shirts and other apparel for your organization.

Please ask for clothing from companies like the COMAMUVI co-op distributed by the Presbyterian Church USA, Lifewear, Maggies Organics, No-Sweat, Plains T-shirts, Platinum Sportswear, or Union Jean and Apparel, because these are not made in sweatshops. You may also make group purchases directly from each of these companies — see listings for contact information.
