**SAFE ENVIRONMENT
COORDINATOR**

Safe Environment Coordinator **414-769-3449**

Suzanne Nickolai, nickolais@archmil.org

- The Archdiocese of Milwaukee is committed to creating a safe environment where all of God's family – children, parents and relatives, parish and school personnel, volunteers, clergy and all archdiocesan central office personnel – will be able to work, live and play in an environment where healthy and responsible relationships prevail.
- All paid personnel, and volunteers who interact regularly with children, must undergo mandatory training to recognize the dynamics of childhood sexual abuse and to understand their reporting responsibilities. In addition, children in all classrooms and religious education programs are educated to recognize, resist and report abuse.
- Through the Safeguarding All of God's Family program, the archdiocese remains in compliance with the USCCB Charter for the Protection of Children and Young People.

- Assists persons in making a report of sexual abuse and obtaining resources intended to help restore wholeness. Provides compassionate help to survivors of sexual abuse, and provides outreach support to victim survivors, their family, parishes and schools.
- All reports of sexual abuse are forwarded to civil authorities. If civil authorities cannot take action, processes of independent investigation and review by the Diocesan Review Board occur, so that all priests and deacons and parish personnel with substantiated allegations of sexual abuse are permanently removed from ministry, in compliance with the United States Conference of Catholic Bishops' Charter for the protection of Children and Young People.
- Provides consultation to parish and school personnel in specific situations about how to report all instances of suspected abuse of children.

CATHOLIC CHARITIES

Providing Social Services to people of all faiths in southeast Wisconsin since 1920.

Mission: Inspired by Christ’s call to serve, our mission is to provide services to those in need, to advocate for justice and to call upon others to do the same.

Vision: Our vision is to improve the lives of those we serve, to empower the most vulnerable, and to help reduce poverty through quality, compassionate, and effective human services.

- With approximately 150 students, Sacred Heart Seminary and School of Theology (SHSST) prepares dedicated men of all ages and backgrounds for their calling to the priesthood.
- Sacred Heart's expertise ensures a rich, rewarding and exemplary formation experience, while rigorously following the Program of Priestly Formation, 5th Edition. Approximately 30 bishops and religious superiors entrust their seminarians to Sacred Heart, and Wisconsin diocesan seminarians receive their intellectual formation at SHSST through its collaboration with Saint Francis de Sales Seminary. SHSST's core program is its accredited Master of Divinity Program.
- Sacred Heart is a respected seminary that also prepares men who need to learn English, brothers who want to become priests, and men who need to complete undergraduate studies efficiently. SHSST provides a supportive environment, enabling men to thrive among their peers, filled with zeal and excitement for serving the Church.
- The English and Culture Studies program attracts seminarians from all over the world, with small personal classes, accent modification program, cultural field trips, and participation in the liturgical life of the school with Mass, Adoration, and Liturgy of the Hours.

SHSST also offers two Masters of the Arts pathways for lay students, including the popular Cor Unum cohort model.

- The School, founded in 1932, is an apostolate of the Priests of the Sacred Heart. It is located in Hales Corners, a suburb of Milwaukee, Wisconsin.

- Women's Care Center provides love, hope and encouragement to pregnant women who are most vulnerable to abortion, helping them to choose life for their developing babies. The Centers have proven to help moms have healthier pregnancies, deliver healthier babies and take important steps to self-sufficiency. The incredible staff of counselors and ultrasound techs serves as the hearts and hands of Christ as they meet every abortion-oriented woman where they are at in their life's journey. This 100% privately-funded organization is the only outreach in Milwaukee open across from an abortion clinic. The Centers also provide free medical grade pregnancy tests, a loving, non-judgmental approach to counseling, incentive-based education that is rooted in the Catholic Church's teachings and post-abortive care and resources.

- The Women's Support Centers of Milwaukee (WSC) is a Catholic social service organization/pregnancy resource center. The Center provides free pregnancy tests, ultrasounds, baby supplies, and emotional support and education for women and families throughout the Milwaukee metropolitan area. The Center provides information and educational sessions on the following topics: abortion, adoption, theology of the body, love, marriage, the harms of contraception, Natural Family Planning and the Creighton Model FertilityCare System.
- The Center also provides post-abortion support, and resources for those who have been impacted by abortion. Our services are consistent with the Catholic Church's teaching on human life, sexuality and contraception.
