COORDINATOR**

Safe Environment Coordinator 414-769-3449

Suzanne Nickolai, nickolais@archmil.org

- The Archdiocese of Milwaukee is committed to creating a safe environment where all of God's family – children, parents and relatives, parish and school personnel, volunteers, clergy and all archdiocesan central office personnel – will be able to work, live and play in an environment where healthy and responsible relationships prevail.
- All paid personnel, and volunteers who interact regularly with children, must undergo mandatory training to recognize the dynamics of childhood sexual abuse and to understand their reporting responsibilities. In addition, children in all classrooms and religious education programs are educated to recognize, resist and report abuse.
- Through the Safeguarding All of God's Family program, the archdiocese remains in compliance with the USCCB Charter for the Protection of Children and Young People.

- With approximately 150 students, Sacred Heart Seminary and School of Theology (SHSST) is the leading seminary focused on preparing dedicated men of all ages for their calling to the priesthood.
- Sacred Heart's expertise ensures a rich, rewarding and exemplary formation experience, while rigorously following the Program of Priestly Formation, 5th Edition. Approximately 30 bishops and religious superiors entrust their seminarians to Sacred Heart, and Wisconsin diocesan seminarians receive their intellectual formation at SHSST through its collaboration with Saint Francis de Sales Seminary. SHSST's core program is its accredited Master of Divinity Program. About 100 seminarians are in this renowned program.
- Sacred Heart offers a unique program whereby seminarians who don't have a bachelor's degree earn credits through a collaboration with nearby Cardinal Stritch University before starting the Master of Divinity Program at Sacred Heart.
- Roughly 50 non-seminarian students are in other programs, including an English as a Second Language Program and a Master of Arts Program for lay students.
- The School, founded in 1932, is an apostolate of the Priests of the Sacred Heart. It is located in Hales Corners, a suburb of Milwaukee, Wisconsin.

National Dir (U.S.A.): Rev. James Kubicki, S.J.

- An international service to the Church with the mission of forming apostles of prayer – men, women, and children who, in the Spirit of the Eucharist, make a daily offering of themselves for the good of the world, the Church, and the monthly intentions of the Pope. The Apostleship of Prayer also promotes devotion to the Heart of Christ among children and adults.

- Women's Care Center provides love, hope and encouragement to pregnant women who are most vulnerable to abortion, helping them to choose life for their developing babies. The Centers have proven to help moms have healthier pregnancies, deliver healthier babies and take important steps to self-sufficiency. The incredible staff of counselors and ultrasound techs serves as the hearts and hands of Christ as they meet every abortion-oriented woman where they are at in their life's journey. This 100% privately-funded organization is the only outreach in Milwaukee open across from an abortion clinic. The Centers also provide free medical grade pregnancy tests, a loving, non-judgmental approach to counseling, incentive-based education that is rooted in the Catholic Church's teachings and post-abortion care and resources.
