Reflection Questions for Staffs and Pastoral Councils - January 2017

Please use the questions below to discuss with your staff, pastoral council, or other leadership group.

In Archbishop Listecky's Synod Implementation article, he explains how stewardship is "who we are." Stemming from each individual's personal relationship with the Lord, stewardship defines a way of life for intentional disciples.

- What does the *spirituality of stewardship* look like to you?
- How we use our time, gifts and financial resources are expressions of how we live as intentional disciples. In what ways can I strengthen my personal expression to further the mission of the Church?
- Reflecting on moving from a maintenance approach to mission focused ministry, what are some ways we as a parish can connect the focus on *Evangelization and the Sunday Mass* with the *Spirituality of Stewardship*?
