#ServeWithLove

INSPIRATIONAL IMAGE CONTEST | Perfect for a computer class assignment, an artsy school day break, or a fun homework assignment, we are introducing a new and exciting Safe Environment Week contest for students of all ages called #servewithlove. The goal of this contest is to get students thinking about all of the ways that they and their surroundings show ways or reflect the beauty of serving God with love in our everyday lives.

1. PICK A QUOTE

that reflects serving God in some way. **Jot it down.**

2. PICK AN IMAGE

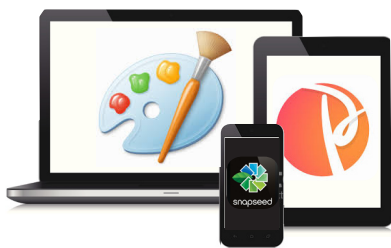

of your surroundings, nature, scenic, etc. **Snap an arty shot.**

3. PICK AN APP

phone, tablet, computer, you choose. **Create some inspiration.**

Feel free to use whatever photo filtering app you like best. We recommend:

- Snapseed for iPhone
- Photofy for Android phones/tablet
- Microsoft Paint/ Photoshop on a computer)

THEN ... SEND IT OUR WAY.

We can't wait to see it! Send it to a teacher, and have them submit it to us at social@archmil.org. Remember to include your name, school and grade.
