# #ServeWithLove

**POSTER CONTEST** | Class project? Art class? Homework assignment? Something to do as a family? All of the above, and then some! The Archdiocese of Milwaukee hopes that your parish family and school will take the time to observe Child Abuse Prevention Month during Safe Environment Week (April 30 - May 6, 2017) by creating something beautiful to reflect the message of love. We invite students from grades K4 - 12 grade to illustrate how we can all #ServeWithLove.

## show us some love

This year's theme, Serve with Love, is about just that. Love. Love your neighbor. Love your family. Love your community by working together to show the love of Christ to each other and others. Contestants may utilize any art medium (crayons, markers, watercolors, etc.) The poster must be on ledger paper (11X17) or larger. The final winner(s) from each age group will be chosen by Archbishop Jerome E. ListECKi. The winning posters will be displayed in the Archbishop Cousins Catholic Center, as well as on the Archdiocese of Milwaukee's social media for all to admire.

**Submissions are due by Friday, May 12, 2017.**

Remit all entries to the Safe Environment Office, Archdiocese of Milwaukee Cousins Center, 3501 S. Lake Dr., Milwaukee, WI 53207.
