**DO NOT ALTER THE FORMAT OF THIS DOCUMENT. ANSWER THE QUESTIONS AS WRITTEN.
USE THE TABLE ON PAGE 2 TO PROVIDE NARRATIVE EXPLANATIONS.**

Provide the number of persons in each category. To the extent possible, if persons belong in more than one category, count them in their primary category (e.g. educators who are also parents should be counted as educators).

These should NOT be cumulative numbers. The numbers should reflect the total number of individuals who are active as of June 30, 20__ – how many of them have Safe Environment Education, have background checks and signed Codes of Ethical Standards.

Children and Youth – include **all** students enrolled;

Educators – only salaried teachers in diocesan and parish schools (include principals and administrators);

School Employees – paid persons (other than priests/deacons or teachers) who are employed by and work directly for schools such as parish ministers, school support staff, rectory personnel, etc.

Volunteers/Others – non-paid persons who assist the parish and/or school such as coaches, playground assistants, classroom help, etc.
