2016
ISSUE**

Terri's Memo

Dear Friends,
Summertime is almost here! I look forward to the warm (not hot!) weather and to summertime activities such as picnics, cook outs and visits with family and friends. Perhaps even a visit to Summerfest, the State Fair or the Zoo.

As you may notice, there is a new design in this issue of Hand in Hand. The Deaf/Hard of Hearing Ministry Office would like to try something new.

We would like to hear from you. Please send me your stories or articles of any events you attended and we will try to include in future issues.

Since the last issue, we had several events happening throughout the Archdiocese such

as *Catholic That!*, Lenten Retreat, and Mass of Atonement. We celebrated Deacon David and Susan Sommers' 50th wedding anniversary - Congratulations on your golden jubilee! We are glad and pray for Sue Gudenkauf on her new journey. Fr. Christopher explains about the Holy Doors that were established right here in our Archdiocese. We also have series of videos about the Year of Mercy. Please check it out at our website: www.archmil.org/Our-Faith/Year-of-Mercy/Jubilee-Year-of-Mercy-Video-Series-.htm (click on cc for captions)

In addition, also paid tribute to three members of our Deaf community who passed away. Their obituaries are included in this issue.

God Bless,
Terri Matenaer, Coordinator

Catholic That! in 2016

One of the most important things for all of us is to have ongoing opportunities to learn and grow in our beautiful Catholic faith, not just twice a year. There is so much to learn from: many Catholic role models, devotionals, parts of the Mass, issues - the list goes on! As a member of the Deaf community, don't you agree how frustrating it is to see many workshops, presentations, and classes about our Catholic faith, but none accessible in Sign Language?! One dream of mine that I had for many years was to have a monthly *Catholic That!* series presented by members of the Deaf/Hard of Hearing community on various topics, made

accessible to the Deaf/Hard of Hearing community! This dream became a reality last year in 2015! This year, we were so blessed to have a nice variety of monthly *Catholic That!* presenters and presentations. In January, Mary Ellen Martens gave a fascinating presentation about Don Pelayo. We all had never heard of him, so it was great to learn about him and all that he did in Spain. In February, Margaret Calteaux taught us more information about Lent that was truly helpful for all of us. In March, Deacon David

St. Andrew Parish DEAF RELIGIOUS EDUCATION MINISTRY SHARING THE GOOD NEWS

It is with joy that I share with you the annual update of our St. Andrew Delavan Deaf Ministry. First of all I need to mention what an honor it was for me to prepare two of our Deaf children to receive the sacrament of Reconciliation during this Extraordinary Jubilee Year of Mercy! It had special significance as the students got a glimpse of how vast and never ending God's mercy is poured out on us! I hold their First Reconciliation in my heart as an inspiration during this year of grace from our Lord!

I would like to highlight more successes we've experienced keeping with the focus of the Synod's vision for the future and Archbishop ListECKI's agenda of concentrating on "the very heart of Catholicism which is Evangelization and the Sunday Mass."

When our Archbishop said, "We need a culture change, so the Sunday Mass is given primacy of place," the Deaf Ministry took that to heart and decided to share more of the Deaf culture with our parish when we celebrate the Mass.

This year in an effort to empower and encourage the Deaf Community to participate more fully in our Eucharistic celebration, one of the goals of the Deaf Ministry was to train and enable more Deaf readers at Sunday Mass. We believe this extends the invitation of hospitality to our cherished Deaf community at St. Andrew while fostering our parish slogan of "You Belong Here!"

With pride several from the Deaf Community have come forward when called and continue the journey of forming disciples.

Throughout this news update you will see the photos of several Deaf adults who came forward for the first time this year to proclaim the Word of the Lord to our hearing and Deaf communities at Sunday Mass.

The culmination of this year's effort happened at the end of our Deaf Religious Education year when two of our students from the Wisconsin School for the Deaf were prepared and received their First Communion. This was a

joyful day for the kids and their families. In addition the entire Deaf Community celebrated making history in our parish when many of the ministry roles during Mass were performed by a Deaf team. We had Deaf servers,

readers, bread minister and wine ministers. The Mass was celebrated in American Sign Language with Fr. Christopher Klusman celebrating. There was a voice interpreter for the hearing. It was a day St. Andrew's parish praised and worshipped God through the eyes of the Deaf community. In addition we had Deaf from Canada, California, and Michigan who came to celebrate with us. My hope is that the parishioners were aware of how unique and special this

Mass was. It is rare for us to experience Mass fully in the Deaf culture.

There are only 2 places you will see that in Wisconsin; St. Matthias in Milwaukee and St. Andrew in Delavan! There are Deaf

throughout the state and throughout America who hunger for the opportunities that we have. Praise God for the treasure we have here at St. Andrew and in our Archdiocese.

As I write this update it gives me goosebumps how the Holy Spirit breathes new life by igniting, renewing and energizing the Church.

So it is with humble gratitude this update, as always, is a thank you note to the parishioners of St. Andrew for supporting the Deaf Ministry here.

Sommers talked about the importance of patient rights that was an eye opener! In April, Arvilla Rank explained the importance of evangelization in our environments. That was exactly what Jesus did and calls us to do. At the request of the Deaf/Hard of Hearing Community, the *Catholic That!* workshops went on break during the months of May and June, due to graduations, etc. We will resume on July 9th with a sure-to-be interesting talk by Tom Meitner about the connection between Catholicism and sportsmanship. And on August 6th, Sue

Koehn, a recipient of the ICDA Member of the Year from the ICDA Midwest Conference last April 2016, will present about “Instructions.” Not sure what that is all about, Sue said that you have to come and find out! I hope you don’t miss out on these wonderful learning opportunities to grow in our Catholic faith! Hope to see you there! If you are ever interested in giving a presentation, don’t be afraid to contact me at: klusmanc@archmil.org or (414) 501-2022.

God bless you!

Lenten Retreat with Fr. Paul Zirimenya

Members of the Deaf Community at Saint John Evangelist in Green Bay traveled to Milwaukee on Saturday, March 5th to attend a wonderful Lenten retreat given by Rev. Paul Zirimenya, from the Archdiocese of San Francisco. He is the first African, Deaf Catholic priest to be ordained in the United States! Fr. Paul officiates at St. Benedict Parish for the Deaf at St. Francis Xavier Church near downtown San Francisco. All of us felt excited to take the road trip where some of us met former classmates and a teacher from St. John School for the Deaf and Wisconsin School for the Deaf.

last temptations of Jesus, Fr. Paul explained the relevance of the number three throughout the gospel of Mark. Fr. Paul’s natural banter made it so easy for us to understand and put us at ease for asking any questions.

After the presentation many of us ate supper at the St. Francis Brewery and Restaurant. Believe it or not, Fr. Paul ate a Wisconsin delicacy for the first time, our traditional beer cheese soup. He loved it! One of the memorable presents he received and that resulted in the most laughter was the official Green Bay Packers Cheesehead! All of us enjoyed a great day learning, praying and feeling inspired by Fr. Paul as well as socializing with new and old friends.

Fr. Paul gave a fascinating presentation, “The Temptations of Jesus.” First, he shared the background of his upbringing in Uganda, including his educational experiences while learning several languages including English, his native Uganda, and both American and Ugandan Sign Language. We even learned a few new phrases in USL! In addition to a deeper understanding of the

Deacon David and Susan Sommers' 50th Wedding Anniversary

Saturday, June 11 was a huge day: Deacon David and Susan Sommers celebrated their 50th Wedding Anniversary! Wow, what an amazing milestone! Praise be to God that they both were able to celebrate this special day together!

I remember meeting Deacon David and Susan before I joined the seminary. These two have given and done so much for Catholic Deaf Ministry for many years. One of the most beautiful things is the

inseparability of Deacon David and Susan. If you see Deacon David, you know Susan is close by. If you see Susan, you know that Deacon David is not too far away. I can't begin to explain all the things they have done together. For all they did, we are eternally grateful.

Thank you to you both, Deacon David and Susan! May God bless you on your 50th wedding anniversary!!

Year of Mercy: Holy Doors and Indulgences

What do you think of the Year of Mercy? Many people told me that they are

learning a lot about mercy, as I am, too. There are a lot of great resources available on mercy. It is fascinating to learn more about mercy in the Bible, as well as from various saints, such as St. Faustina. It will be sad when the last day of the Year of Mercy approaches: November 20, 2016.

A shocking discovery in my conversations with people is that they are not aware of the holy doors. The Holy Doors of St. Peter's open and remain open during the Holy Year, which doesn't happen often, like every 25 years. The last time the Holy Doors opened was in 2000. The next time would be 2025, but Pope Francis declared a special year (this happens rarely!) this year! Other Basilicas in Rome have their holy doors open, as well. What is unique this Year of Mercy is that other holy doors have been established throughout the world, especially in our Archdiocese of Milwaukee. There is at least one set of holy doors in each deanery:

Kenosha/Racine | St. Anne – Pleasant Prairie

Walworth | St. Francis de Sales – Lake Geneva

Waukesha E | St. Dominic – Brookfield

Waukesha W | St. Charles –

Hartland

Dodge/Washington | National Shrine of Mary, Help of Christians, Holy Hill – Hubertus

Fond du Lac/Sheboygan | Holy Family – Fond du Lac

Milwaukee NW | Christ King – Wauwatosa

Ozaukee/Milwaukee NE | Cathedral of St. John the Evangelist

Milwaukee SE | Basilica of St. Josaphat

Milwaukee SW | St. Alphonsus – Greendale

I hope that you can make a pilgrimage to go through the Holy Doors near you at least once this Year of Mercy. I hope you can try to go through all the Holy Doors in the Archdiocese of Milwaukee! It is truly a special gift and grace to you from God. From the Archdiocese of Milwaukee's official website, it stated that, "Pope Francis invites us to contemplate the notion of a Holy Door, 'a Door of Mercy through which anyone who enters will experience the love of God who consoles, pardons, and instills hope.'"

When I went through the Holy Doors at the Basilica of the National Shrine of Mary, Help of Christians at Holy Hill, the first thing you can do before going through the Holy Door is to pray in thanksgiving for this sacred opportunity. As you pass through the door, you can stop for a short time at the door to kiss or touch the sides of the doorway or the door itself and cherish that

moment. Then pass through and feel joyful at having been blessed with this opportunity. Don't just pass through a door like any normal door. Recognize that this is a special opportunity! A special grace!

This leaves me to share with you another important aspect of the Holy Doors. You can get a plenary (full) indulgence. But you would have to do these things:

It is necessary that the faithful be in the state of grace at least at the time the indulgenced work is completed.

A plenary indulgence can be gained only once a day. In order to obtain it, the faithful must, in addition to being in the state of grace:

have the interior disposition of complete detachment from sin, even venial sin; have sacramentally confessed their sins; receive the Holy Eucharist (it is certainly better to receive it while participating in Holy Mass, but for the indulgence only Holy Communion is required); and pray for the intentions of the Supreme Pontiff.

It is appropriate, but not necessary, that the sacramental Confession and especially Holy Communion and the prayer for the Pope's intentions take place on the same day that the indulgenced work is performed; but it is sufficient that these sacred rites and prayers be carried out within several days (about 20) before or after the indulgenced act. Prayer for the Pope's intentions is left to the

(Continued on page 7)

(Continued from page 6)

choice of the faithful, but an Our Father and a Hail Mary are suggested. One sacramental Confession suffices for several plenary indulgences, but a separate Holy Communion and a separate prayer for the Holy Father's intentions are required for each plenary indulgence.

For the sake of those legitimately impeded, confessors can commute both the work prescribed and the conditions required (except, obviously, detachment from even venial sin).

Indulgences can always be applied

either to oneself or to the souls of the deceased, but they cannot be applied to other persons living on earth.

– Adapted from the decree on the plenary indulgence for the 2000 Jubilee Year.

Taken from <http://www.thedivinemercy.org/jubilee/thebasics/indulgence.php>

Basically, on the day that you go through a Holy Door, make sure you don't sin! And go to Confession, then receive Holy Communion at Mass. You also will have to say/sign the Our Father and Hail Mary (for the Pope's Intentions). By doing this

within several days of each other (without sinning! which is why I recommend you do this all in the same day!), you will have been given a gift of a plenary indulgence! This is a very precious gift! We should truly make an effort to get this for this will be one of the most important things that you do!

I hope that you will try to get a plenary indulgence, for yourself and again for another person in purgatory. Enjoy this Year of Mercy while it is still here!

God bless you!

Fr. Christopher Klusman

Meaning of the Mass of Atonement

Archbishop Jerome E. ListECKI presided at the sixth annual Mass of Atonement on Tuesday, April 19, 2016 at St. Joseph Parish in Wauwatosa. Another step in the archdiocese's journey of facing our sins, this Mass acknowledges the wrongs of the past in an effort to move forward towards a better future. All members of the Catholic community, especially victims of abuse, were invited to attend.

At the Mass of Atonement, as the faithful are called to remember their sins during the Penitential Rite, Archbishop ListECKI removed all symbols of episcopal ministry (Crozier, Miter, Pallium and Ring). Then, he laid face down in front of

the altar in prostration – a gesture that symbolizes our humility as a Church, before God.

The Mass of Atonement was the opening of the Archdiocese of Milwaukee's Safe Environment Week, which takes place each year in April to coincide with National Child Abuse Prevention Month. While the Archdiocese of Milwaukee's Safeguarding All of God's Family ministry works to protect our most vulnerable year round, special awareness activities are added during this observance. Annually, every parish and school, as well as the entire Catholic community, places a simultaneous focus on the importance of keeping children safe.

“While no single statement or event can make up for the painful abuse of our most vulnerable brothers and sisters, as believers we know that in Christ's suffering, death and resurrection, we find hope beyond measure as we move toward a brighter future.”

~ Archbishop Jerome E. ListECKI
