## *Best Practices Shared by Parishes*

- ◆ Invite parishioners to donate their clipped coupons: coffee, food, diapers, children’s vitamins, shampoo/soap, dish/laundry detergent, and household cleaning products.
- ◆ Host a themed collection, e.g., Super Bowl (canned soups), Baby Shower (infant formula, baby food, diapers)
- ◆ Conduct a “reverse” collection during the 5<sup>th</sup> Sunday (small slips of paper indicating a preferred item to bring to Mass for the food pantry next weekend)
- ◆ \$5 or \$10 gift cards from local grocery or pharmacy to purchase fresh produce or medication
- ◆ Host a local fire department spokesperson to connect with residential home owners that are eligible for free smoke detectors. Or host an employment agency to help find employment

## *MyPlate Food Model*

The “MyPlate” Food Model of the Hunger Task Force showcases the five main food groups.

|                         |                         |
|-------------------------|-------------------------|
| Grains (Whole Grains)   | Protein (Lean)          |
| Vegetables (Low Sodium) | Fruits (Natural Juices) |
| Dairy (Low Fat)         |                         |

*Donations to food pantries are encouraged based on this food model, as well as donations of culturally appropriate items.*
