

“We always pray for one another. Our relationship deepens with each interaction and the bond grows stronger as we come to know one another in the Body of Christ. This, for me, is a lived experience of Eucharist and fills my heart with great joy. I am grateful for this shining example of relationship between the Archdiocese of Milwaukee and La Sagrada Familia....”

From a parishioner’s reflection on her visits to La Sagrada Familia

Special Collection for La Sagrada Familia

Next weekend, your parish will hold a special collection for the Archdiocesan Sister Parish, La Sagrada Familia, in the Dominican Republic. For over 31 years, the Archdiocese of Milwaukee has been sharing faith and friendship with our sisters and brothers in the parish. Two priests currently serve as the pastors there, and dozens of Archdiocese of Milwaukee parishioners have visited or served in the parish. While the bond of relationship and the faith of the people is strong, their needs are many, and have been increased by recent damage from Hurricane Sandy. We hope that you will give generously to the collection in your parish and that you will pray for our family in the Dominican Republic.

We join them in thanking you! ¡Gracias!
