What are the two biggest challenges facing people in southeastern Wisconsin?

1.

2.

Where and how is the Gospel being lived and preached effectively in the Archdiocese of Milwaukee? When do we journey together well? What examples do you see?

In the Archdiocese, when are times and occasions when the Gospel is NOT being lived out and preached effectively? When do we fail to listen or fail to journey with people? How can we grow?

How can the Catholic Church better journey together with you and others? What steps does the Holy Spirit invite us to take in order to grow in our "journeying together?"

If you could share one thing with Pope Francis, what would it be?
