

## Missionary Cooperation Plan 2024

*Brought to you by The Society for the Propagation of the Faith*

# Catholic Diocese of Malindi

The Catholic Diocese of Malindi was established in September 2000. The diocese covers three counties on the coast of Kenya: Kilifi, Tana River and Lamu. The diocese has 23 parishes and 2 missions where some parishes are still under primary evangelization and only a handful of the parishes are self-sustainable.

In striving to better the livelihoods of its people, the diocese is embarking on building a dormitory at Bishop Francis Baldacchino primary school which will provide safe spaces for girls who walk long distances coming to school. These girls face numerous challenges to and from school and housing them within the confines of the school prevent them from dropping out of school as a result of pregnancies or early marriages.
