

Missionary Cooperation Plan 2024

Brought to you by The Society for the Propagation of the Faith

Holy Spirit Missionary Sisters SSPS

The charism of the Holy Spirit Missionary Sisters is evangelization. They are engaged in various activities that contribute to spreading the Good News of God's love and mercy through education, catechesis, healthcare, socio-pastoral services, justice and peace advocacy.

They minister in 49 countries of the world with Sister members from 50+ nations of birth. They are concerned with aiding victims of violence, poverty, abuse, and discrimination, with a special concern for women and children.

The appeal funds will be used to support their ministries in the Caribbean (Jamaica, St. Kitts, & Antigua) and the Rogers Park area of Chicago; as well as JPIC initiatives with special emphasis on immigrants, migrants, and asylum seekers.

Funds will be used to purchase food and medicines; textbooks and other school supplies/learning materials; scholarships for children in need; make interior and exterior improvements to educational facilities; assist with medical assistance, natural disaster relief, and so forth.
