

Missionary Cooperation Plan 2024

Brought to you by The Society for the Propagation of the Faith

Franciscan Missionary Sisters of the Youth

“The community of Franciscan Missionary Sisters of Youth is originally from Ecuador in South America.

Their pastoral work focuses on missions and families, as well as the formation of young people, children and families. This work is carried out through retreats, missions in strong times of the church, meetings, catechesis, etc.

Another important aspect of pastoral care in Ecuador is psychological assistance for young people, children and families, given the complex realities in which people live in Ecuador, especially in certain places where the sisters live and work.

HOW TO SUPPORT:

- Pray for our brothers & sisters in the missions.
- Check: Please make checks payable to your parish.
