

Walking With Moms in Need

“The Catholic Church has a long history of service to those who are most vulnerable. From pregnancy care centers, to foster care and adoption agencies, and from maternity homes to parish-based ministries, the Church consistently bears witness in word and deed to the beauty and dignity of every human life—including both mother and child.” This program asks parishes and parishioners to adopt and support those centers and agencies that are actively helping Moms in Need.

OFFICE OF RESPECT LIFE

Working to build a culture of life that cherishes and protects every human life. Offering opportunities for prayer, education, involvement, and information on pro-life issues and upcoming events.

PARISH RESPECT LIFE LEADERSHIP

Many of the parishes in the Archdiocese of Milwaukee have Respect Life Leaders and groups that plan and implement activities. Meant to bring awareness and support to issues that affect the dignity of all people.
