*A Guide to Returning to Parish Operations and Ministry*

## RECONCILIATION SERVICES

- Follow the Catholic Comeback Matrix for Mass.
- Consider online registration, so that your parish knows how many people plan to attend.
- During individual reconciliation, people are invited to exit the pew one at a time and go to a specific station that is monitored by an usher. The usher is responsible for cleaning that station after each person is done.
- [Single-use “How to Go to Confession” cards](#) are given to each person upon arrival, or information is put into the single-use worship aid.
