Scope and Content *a brief description of the types of materials in the collection.*

This collection contains records of the 1987 Milwaukee Archdiocesan Synod. This collection includes the synod correspondence of Rev. Michael T. Newman, Chancellor, who coordinated the synod in its early stages; and the correspondence of Rev. Donald H. Thimm, who became synod coordinator on October 1, 1985. The collection also includes minutes from the synod coordinating committee, as well as minutes from various other committees and sub-committees. Memos, fact sheets, delegate and commission information, synod teams, job descriptions, training information, youth ministry involvement, lesson plans, liturgy suggestions, and a variety of synod communications are found in these files. The general files contain synod background materials and resources, as well as synod newsletters and newspaper clippings. In addition to the pastoral letter convoking the synod, the collection includes reports from the May 1985 synod survey and publications from the parish/community synods, the regional synods, and the general synod--booklets, guides, background papers, reports, results, responses, recommendations, and information on the implementation of the recommendations. The collection also includes a video tape of the general synod and interviews with people involved in Synod 1987. This collection also consists of the parish/community Synod recommendations that were submitted from the parishes/communities to the Synod before it began.
