

*The following is the finding aid for the Archdiocese of Milwaukee Liturgical Board collection located at the Archdiocese of Milwaukee Archives. A finding aid is a catalog tool used in archives that briefly describes the material found in a collection. These records are not available digitally unless otherwise noted. [Researchers must make an appointment with an archivist to view the material.](#)*

**Archdiocese of Milwaukee Liturgical Board  
Records, 1964-1988  
AS 90**

**Access**

Open/unrestricted

**Scope and Content** *a brief description of the types of materials in the collection.*

This collection contains material from the Archdiocesan Liturgy Board which is also known as the Liturgical Commission. This board was established in accordance with the 1963 Constitution on Sacred Liturgy which decreed that dioceses develop programs in the areas of liturgy, art and environment, and music. The assigned task of the Board was to provide service and information to local churches and to suggest progressive steps for the implementation of liturgical proposals.

This collection contains Liturgy Board Minutes, 1964-1979, 1981-1982, 1984-1988, Committee Records, 1972-1975, Liturgical Bulletins, 1964-1972, Liturgical Memorandums, 1973-1976 (The Liturgical Bulletin was renamed the Liturgical Memorandum in 1973), Liturgical Handbooks 1971-1973.

**Historical Note**

In 1971 the Liturgy Board was restructured into several committees and a permanent Office of Divine Worship was established as a center for education and information in all areas of worship life. The committees operated until 1975 and in 1976 the name of the Office of Divine Worship was changed to Office of Worship. In 1987 the name was again changed to Office of Prayer and Worship.

**General Note**

For records post-1988 see Prayer and Worship Office Records (AS 156).

**Box and Folder List** *This is a list of folders names within the collection. The folders have been arranged alphabetically. "B" is an abbreviation for box and "F" is an abbreviation for folder. This list will help the researcher narrow down exactly what folder they want to look at.*
