Scope and Content Note *a brief description of the types of materials in the collection.*

This collection contains records from the Prayer and Worship Office and reflects the activities of the office from 1968 to 2005, although the bulk of the collection is from the 1970s and 1980s. The records primarily include subject files relating to issues the office dealt with, programs from various events the office was involved with, and records of several different liturgical organizations with which the office was affiliated. Also included are records from the Symposium for Church Composers, an event the Archdiocese of Milwaukee hosted in 1982, 1985, 1988, 1990 and 1992.

Additional records have been sent to the archives, but are currently unprocessed and unavailable for research at this time.
