

Called for More

A New Look at Thriving in Ministry

The Archdiocese of Milwaukee has been invited to participate in *Called for More*, a pilot initiative of the Catholic Leadership Institute (CLI). CLI is an international Catholic apostolate founded almost 30 years ago to support all leaders in the Roman Catholic Church with the best leadership tools and training to fulfill their roles in the Church.

CLI received a grant from the Lilly Endowment to pilot a new process for supporting priests/parish directors and parishes in thriving in ministry.

Called for More

Called for More will entail gathering information about each priest/parish director and parish from the archdiocese and local parish leaders and parishioners. This information gathering will provide a more objective understanding of leadership and parish strengths and opportunities that will result in:

- Parishioners gaining more awareness about the needs and opportunities of their local community thereby, being better prepared to plan for ministry and growth
- Priests/Parish Directors gaining more awareness and support around their ongoing ministerial development
- The diocese gaining more information with which to consider and discern priestly/parish director assignments and parish support.
