## POST-CRISIS GUIDELINES

Assess student, parents, and faculty reaction to the crisis.

1. Provide post-crisis counseling, if appropriate.
2. Resume normal activity as soon as practical. Provide assistance to re-enter school/program environment.
3. Assemble Crisis Management Team to conduct a debriefing; conduct staff, faculty, and student meetings as appropriate.
4. Review and critique Crisis Management plans as compared to events encountered during crisis.
5. Continue to record your post-crisis activities on the Crisis Records.

Note: For further information regarding an overall safety plan, refer to the School Risk Management manual and videos provided by the Catholic Mutual Group, administrator for the Archdiocese of Milwaukee Protected Self-Insurance Program. For additional resources regarding crisis management, safe schools
