

Day 1 | Live It | Who Do You Say I Am?

In today's One Percent Prayer, Pete invites you to take some intentional time to prepare.

Reflect, and perhaps journal, on Jesus' question to you: "Who do you say that I am?"

Why did you decide to do this? What's motivating you to take this 30 day journey?

What do you want God to do for you in these 30 days?

In what ways would you like to be stronger on day 31? What do you want to be different?

Jesus is able to accomplish far more than we ask or imagine (Eph 3:20).

Ask him for the things you just wrote and to answer your prayers for others.

Plan to ask Jesus for this grace every day in the silence at the end of our One Percent Prayer.

Know that our team is praying for you. Know that taking this step forward is beautiful.

Jesus delights in you and loves that you're taking this initial step to grow closer to him.
