Healing the Whole Person

APRIL 7-9, 2022

Do you want to be healed? Do you want freedom from patterns of behavior or sin you can't seem to break? Do you want to understand and help someone who desires healing or freedom? The John Paul II Healing Center's *Healing the Whole Person* is a time away to learn about how to better understand and receive Christ's healing and peace in the heart of the Catholic Church.

For anyone who has lived with anxiety, depression, anger, addiction, illness, or a pattern of sin they can't seem to break, it can be difficult to imagine a life of freedom and peace. Participants in *Healing the Whole Person* will come to understand the wounds at the root of their struggles and how to bring those wounds to the Lord to receive the insight, healing, and freedom He wishes to give, especially through the sacraments and prayer.

What to Expect

- Sound teaching from the Roman Catholic tradition
- A supportive community of people (including some who are discouraged or doubting) who desire to understand and receive Christ's healing
- Private journaling activities for application of teaching and prayer
- Communal prayer for healing
- Opportunity to receive the sacraments of Reconciliation and the Eucharist
- Privacy and Compassion - no one will force you to share personal struggles you may be facing

What Archdiocese of Milwaukee participants are saying about Healing the Whole Person

"Restorative and healing. I felt the Holy Spirit working in my heart and I am grateful for the tools provided so I can continue this healing journey."

"My experience was unlike any other retreat; the prayer experiences were surprisingly transformative, as if I had a necessary surgery removing malignant cancer in my soul and infusing with it Divine medicine."

"To be in a room filled with other people and have this realization that we are all on a journey seeking healing and freedom from our brokenness was both humbling and encouraging."
