

Day 12 | Live It | Serve Others First

In today's One Percent Prayer, Margaret invites you to find one way today to serve others first.

Ask Jesus to help you consider:

What is one concrete action you can take in his name, or for love of him, today to

- have patience and compassion in putting others before yourself
- be a servant for others
- receive another child of God, even, or especially if they're a mess

Ask Jesus to help you love them with his love and for love of him.
