

Day 19 | Give Quality Time

In today's One Percent Prayer, Doug invites us to draw closer to others inviting them to experience community with us.

In today's reading, Zacchaeus seeks to draw closer to Jesus and Jesus draws closer to him. To be truly seen and encountered is life changing for Zacchaeus, as it can be for us today. We invite you to plan an experience of community for others.

Consider planning a get-together, particularly for those for whom you have been praying. You might share a meal or game. If you are unable to gather in person, give them a call, or arrange a video-call/facetime/zoom. Draw close as Jesus drew close to Zacchaeus today.

Know that we are praying for you!
