8 a.m. REGISTRATION

8:30 a.m. – 4:00 p.m. TRAINING

MARY MOTHER OF THE CHURCH PASTORAL CENTER | 3501 S LAKE DR. | ST. FRANCIS, WI 53235

The need for Christ-centered, evangelistic marriage preparation is absolutely essential in our culture. That is why the Office of Marriage and Family Life is hosting an updated FOCCUS facilitators training for all priests, deacons and married couples who are responding to the call to walk with the engaged couples of our Archdiocese as they prepare for the beautiful sacrament of marriage. We have invited a staff member from the FOCCUS headquarters to lead a day-long workshop to help us better understand how to administer this effective tool and reach a new generation of couples.

We also strongly encourage those current FOCCUS facilitator couples as well as parish staff members who work with engaged couples to join us for the day to be refreshed in best practices. The culture of marriage has changed rapidly in recent years, and the FOCCUS inventory has been updated several times to accommodate the needs of our current engaged couples.

Therefore, an updated training will be very helpful for current facilitator couples as well.
